Dear Sir/Madam,

RE: RECOMMENDATION LETTER FOR ISABELLA ANYANGA MAKANDA

It is my pleasure and honor to recommend Isabella Anyanga Makanda for the role of a Lead Auditor and/or a trainer into the KS 1758 Programme.

I have worked with her for over 8 years as her manager at SGS Kenya Ltd, where she is still working in our Health and Nutrition Services-Food department as Food Inspector and Hygiene Auditor.

She has an in-depth knowledge of Food and Agricultural sciences, quality inspection of Agri-produce such as Avocado, French beans, Nuts, Coffee, grains amongst others, In line with our business she is also a trained food safety auditor majoring in hygiene audits in hotel industry in which she has helped increase the number of products and jobs in the sectors. She has completed on-time and within budget and moreover she can facilitate clear communication between different teams and departments, Clients and hence maintain our brand as an organization

I have no doubt She will make a strong valuable result in the Programme. Please feel free to contact me if you have any questions regarding his candidacy or past work.

Yours Sincerely,
