Dear Sir/Madam,

RE: RECOMMENDATION LETTER FOR BENSON KIBIRU

It is my pleasure and honor to recommend Mr. Benson Kibiru for the role of a Lead Auditor and a trainer into the KS 1758 Programme.

I have worked with him for more than 7 years as his manager at SGS Kenya Ltd, where he is still working in the department of Health and Nutrition Services (Crop Sciences & Food).

He has an in-depth knowledge of Food and Agricultural sciences. He has relevant wealth of experience that spans across, yield-auditing, training of stakeholders, execution, and leading teams in Field Trials (Efficacy assessment & Registration of Agrochemicals), Precision Farming Services-Soil & Water Management, Safe-Use of Pesticides & Fertilizers, Food Safety (Fresh Produce-Fruits & Vegetables).

Overtime he has also showcased the ability to facilitate clear communication between different teams and departments, Clients and hence maintain our brand as an organization

With the above in mind, I have no doubt he will make a strong valuable result in the programme. Please feel free to contact me if you have any questions regarding his candidacy or past work.

Yours Sincerely,

Wycliff Sunda

Business Manager

Natural Resources, Minerals and Health & Nutrition.
