Certificate of Training Risk Assessment and Traceability Course

This is To Certify That

STEVE HIGENYI WASIKE

Underwent a "FOOD SAFETY RISK ASSESSMENT AND TRACEABILITY TRAINING" held at Everest Enterprises Limited, in Murangá on August 7th, 2021. The training covered the risk assessment required by both the Global G.A.P and BRCGS standard and including food safety related risk assessments, security risk assessment/food defense and vulnerability assessment/food fraud. The training covered the development and implementation of traceability systems.
